

Through our Whitehorse campus and 12 community campuses across the territory, Yukon University (YukonU) partners with the 14 Yukon First Nations in all that we do. Reconciliation and Indigenization are paramount values at YukonU. Building relationships with, and responding to Yukon First Nations needs, through programming and research is at the core of our institution.

YukonU offers degree, diploma and certificate programming across a multitude of disciplines, including trades and university prep coursework. Research is a significant component of YukonU as well; we've achieved top spot for the number of paid student researchers, as compared to similar-sized institutions.

Join us as we continue to build the North. Together we thrive!

Inspire young people to discover their potential in Science, Technology, Engineering, Arts, Math (STEAM) and Trades! YukonU is looking for enthusiastic high school students who enjoy working with youth ages 6-19 in both indoor & outdoor experiential settings. With your facilitation skills, you will share your passion for STEAM and/or Trades with youth. Reporting to Coordinators and Lead Facilitators, facilitators in training will be working together with summer camp facilitators to help create and deliver safe and enriching week-long summer camps in Whitehorse. Facilitators in training will also be working towards delivering activities independently to youth as the weeks progress while receiving mentorship from the summer camp facilitators.

Job Requirements:

- Current high school student;
- Interested in working with youth in any of the following disciplines: Sciences, Engineering, Arts, Mathematics, Education, Computer Sciences, Trades;
- A criminal record check will be required upon hire;
- A valid driver's license and previous experience working with youth are considered an asset.

If you require accommodation for any part of the selection process, please notify us and we will work with you to meet your needs.
