

Through our Whitehorse campus and 12 community campuses across the territory, Yukon University (YukonU) partners with the 14 Yukon First Nations in all that we do. Reconciliation and Indigenization are paramount values at YukonU. Building relationships with, and responding to Yukon First Nations needs, through programming and research is at the core of our institution.

YukonU offers degree, diploma and certificate programming across a multitude of disciplines, including trades and university prep coursework. Research is a significant component of YukonU as well; we've achieved top spot for the number of paid student researchers, as compared to similar-sized institutions.

Join us as we continue to build the North. Together we thrive!
