

# WEEK 1 (JUNE 23 - 27)

**Ages 6 - 8:**

## Ancient Explorers

**Cost: \$350**

Youth will be immersed in the world of geology and anthropology. This camp will allow participants to take part in fun treasure hunt-like activities that teach them about the earth's crust, dinosaurs, and human history. Come join us to explore rocks, fossils, artifacts, and much more! This camp is co-ed.

**Ages 9 - 11:**

## Biological Wonders

**Cost: \$350**

Interested in diving deeper into the world of biology, cells, and botany? Join us this week to explore the building blocks of life and uncover the secrets of the plant kingdom through interactive experiments, outdoor activities, and creative projects. This camp is co-ed.

**Ages 12 - 14:**

## Film 101

**Cost: \$350**

Unleash your creativity and explore the magic of filmmaking at our film camp! This immersive program is designed for aspiring filmmakers ages 12-14 who are ready to bring their ideas to life. Learn about the fundamentals of storytelling, scripting, camera techniques, and editing. This workshop is co-ed.
