

WEEK 6 (JULY 8 - AUGUST 1)

TRANSPORTATION ENGINEERING WEEK!

Planes, Trains & Automobiles

Ages 6 - 8:

Cost: \$350

Gear up for a journey through the fascinating world of transportation engineering! This camp is perfect for curious minds eager to explore how Yukoners move across the Territory - soaring, gliding, floating, and speeding down the highway. This camp is co-ed.

Ages 9 - 11:

Cost: \$350

Gear up for a journey through the fascinating world of transportation engineering! By the end of the camp, participants will have a deeper understanding of the engineering marvels that keep the world moving—and plenty of inspiration to dream big about the future of transportation! This camp is co-ed.

Ages 12 - 14:

Cost: \$350

Gear up for a journey through the fascinating world of transportation engineering! This camp is perfect for folks eager to explore how Yukoners move across the Territory. Tackle real-world engineering scenarios like designing efficient bridges or creating sustainable transportation solutions. This program is co-ed.

Ages 13 - 18: Try-the-Trades (Skills)

Youth Moving Mountains is partnering with Skills Canada Yukon to introduce youth to a variety of trades from tradespeople over the course of the week. This is a great opportunity to see if Trades might be the right fit for you! This workshop is co-ed.

****This program is capped at 10 participants.****

Cost: \$50
